REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The cited art of record fail to teach a display drive system comprising a first IC and a second IC, each of the ICs includes a current mirror circuit having an input side transistor supplied with a predetermined drive current and a plurality of output side parallel transistors, and a current output circuit which generates a current having a first value in response to an output current of one of the output side parallel transistors, wherein the second IC further comprises a current generator circuit which generates the predetermined drive current of the second IC in response to a predetermined input current and being supplied with the current having the first value of the current output circuit of the first IC as defined in claims 16 and 25. Therefore, claims 16-34 are presently allowed.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
